■ training

Crews projects centre for safety studies conducts three types of training:

■ 1. outreach training

Outreach training which caters for awareness and volunteer training. These are conducted by teams visiting to localities to train people in the field.

■ 2. centre based training

Centre based training. These are scheduled courses which are projected through three years training circle and are conducted in crews projects training facilities.

Crews Projects Limited Training projections are based on a 3 year training cycle. During each year;

8 x Certificate Courses. (CT),

4 x Executive Courses. (EX),

3 x Specialist Targeted Workshops (ST),

1 x Advance Managers workshop. (AM) and 1 x International Workshop. (IN) are scheduled.

For details visit www.crewsprojects.com

■ 3. targeted training

Emergency Management Training can be customized to suit your organization's mission and operational conditions. If you would want a team to visit your organization to plan your training with you please visit our website and complete the request FORM online.

CURRICULUM VITAE
MAJOR GENERAL MARTIN C OSAHOR (Rtd)
FSS MSS DSS psc(+) fwc(+) MSc FNSE CON CEM®
MD/CEO CREWS PROJECTS LTD.

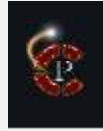

Major General Martin Chukudi Osahor (Rtd) was born on 9th March 1951 in Egbudu Akah, Aniocha South Local Government Area of Delta

State. He attended the Nigerian Military School (NMS) Zaria (1965 - 1969). He commenced cadet training with Regular Course 8 at the Nigerian Defence Academy (NDA) in 1970 and proceeded on selection to the Royal Military Academy (RMA) Sandhurst where he was commissioned as a Regular Combatant Officer in the rank of Second Lieutenant on 4th August 1972 into the Nigerian Army Corps of Engineers. He attended the Royal Military College of Science (RMCS) Shrivenham, Swindon, UK where he obtained a Bachelors Degree in Civil Engineering in 1975. He obtained 2 Masters Degrees, one in Water Resource Engineering in 1983 and another in Community and Regional Planning in 1984, both from the University of Nebraska in Lincoln, Nebraska, USA.

PROFESSIONAL QUALIFICATION

General Osahor is a Fellow of the Nigerian Society of Engineers (FNSE); a COREN

B R O C H U R E

Registered Engineer, a Chartered Mediator and Conciliator (Ch.MC), and a Member of the International Association of Emergency Managers (IAEM). He has earned over 260 contact hours credits in Disaster and Emergency Management courses. General Osahor qualified and was designated a Certified Emergency Manager (CEM) by the Certification Commission of the IAEM in March 2008. General Osahor has the distinction of being the first Nigerian and the second African to be so designated by the professional body.

MILITARY SERVICE

General Osahor had a distinguished and meritorious military career spanning 40 years (including Boy service), where he rose to the rank of Major General and commanded the elite Corps of Nigerian Army Engineers from March 2001 to July 2002. While still in service, he was appointed Director General of the National Institute for Policy and Strategic Studies (NIPSS), Kuru, (July 2002-13 May 2005). As the CEO of the highest National training institution in Nigeria, he was charged with the training of the elites of the Nigerian society drawn from the military, paramilitary, civil service, organized Labor as well as the organized private sector. Major General Osahor retired voluntarily from the Nigerian Army with effect from 31 December 2004.

B R O C H U R E

WORKSHOPS/SEMINARS/PUBLICATIONS

General Osahor was the Chairman of Defense Sub-Committee of the National Committee; which established a framework for National Disaster Management for Nigeria (1997 -1998) which led to the establishment of the National Emergency Management Agency (NEMA). He is fondly called BABA NEMA. He has attended dozens of seminars, the most recent of which are: National Conference of Chief Executives and Heads of Disaster Management Organizations in Nigeria (2007); International Disaster and Emergency Resilience (IDER 2007, London, UK) and International Association of Emergency Managers 55th Annual Conference in Reno Nevada USA (2007). He has delivered a number of seminars and conference papers. Those which are relevant to disaster management are: Disaster Planning and Management in Nigeria: The Role of the Armed Forces, Abuja (1997); Disaster Management and The Role of the Media, Ibadan (2000), Disaster Management and The Role of the Engineers – NASME, Makurdi (2000); The Nigerian Army Engineers in Peace and War – Jaji (2001); Challenges facing Engineers and School in Disaster Response Situations –(2008). Remembering the Ikeja Military Cantonment Ammunition Depot Explosion – What Lessons for Disaster Managers in Nigeria- (Cava Publications, UK). 2008.)

B R O C H U R E

HONOURS AND AWARDS

General Osahor earned the following qualifications, honors and awards: Pass Staff College Dagger (psc (+)); Force Service Star (FSS), Meritorious Service Star (MSS), Distinguished Service Star (DSS), and Fellow of the National War College Dagger (fwc (+)). He was conferred with the National Honor, Commander Order of the Niger (CON) in 2003. General Osahor inherited the traditional title Odozi Ani II of Egbudu Akah but does not wish to be addressed as Chief.

INTEREST/HOBBIES

He enjoys traveling, reading, learning French, and singing Gospel Music. He is an ardent golfer with a respectable handicap of 16. General Osahor has strong faith in Project NIGERIA and devotes time to volunteer Motivational Speaking Engagements for youths and as well as Community Service.

MARTIAL STATUS

General Osahor is happily married to Mrs Patricia Osahor and they are blessed with four sons: Chukudi, Leonard, Patrick, Nnalue.
